

Heritage Thermal Services 2023 Environmental Grants

Heritage Thermal Services is pleased to offer environmental grants again for this year. We will award grants to deserving nonprofit groups and schools, ranging from \$100 to \$1000 for a total of \$7,000.

Eligible projects are those that directly benefit the environment of the tri-state area. Recent winners include recycling and beautification projects, creating a wildlife habitat and purchasing materials for environmental education. Schools and nonprofit organizations within a radius of 15 miles of the facility are eligible to apply.

If you have a question or need more information, contact Raymond Wayne at 330.386.2194.
